(317)294-3126

Carmel, IN

My Portfolio: <https://lindseydickerson.github.io/>

My Github: <https://github.com/LindseyDickerson>

My LinkedIn: <https://www.linkedin.com/in/lindseydickerson2/>

JavaScript Programmer with a background in Property & Casualty Insurance and a strong understanding of the claims process. Seeking a role within a team to continue my growth as a developer to bring new ideas and processes to the role. My background allows me to bring listening, documentation, and workflow skills to my new role; enabling me to immediately offer useful skills even as an entry-level programmer.

Education:

Eleven Fifty Academy, Fishers, IN December 2019, JavaScript Cohort

Butler University, Indianapolis, IN

Bachelor of Arts in Journalism, Concentration in Public Relations
